**Re: Correction, AT&T Corp. Petition for Declaratory Ruling Regarding
Enhanced Prepaid Calling Card Services, WC Docket No. 03-133;
Intercarrier Compensation Proceeding, CC Docket 01-92.**

Dear Ms. Dortch:

MCI wishes to correct an inadvertent error made in its February 2, 2005 Notification of Ex Parte Presentation filed in the above-mentioned dockets. The third paragraph of its Ex Parte Letter stated that "MCI ...will pay, but challenge, any intrastate access charges assessed by local exchange companies." The paragraph was meant to state that "MCI ...will pay at interstate rates for all such traffic, but not pay at intrastate rates that may be assessed by local exchange companies." Similarly, page 8 of the Attachment should read "MCI will track all calls, and pay interstate rates for all such traffic, but not pay at intrastate rates that may be assessed by local exchange companies." I have submitted corrected versions of MCI's Notification of Ex Parte Presentation and Attachment.

Sincerely,

/s/ Larry Fenster
